Letter No 1092/28.29 dated the 10th/15th Oct 1930 from the Manager Conservancy submitting proposals for the revision of the scale of income and expenditure of the Sri Sri Sri Jagannath, that the revised scale may be given effect to from 1st Oct 1930, that besides the loans due to the Hindu Temples, the Tamil Krishna Boys Charities and the Government in respect of the Juniper bark purchase the amount is due to the Sri Jagannath Swami Temple at Srirangam, and that steps would be taken to realise the above debts as soon as the accumulated arrears of Jagannathalli are collected.

2) In the revised scales of income and expenditure now forwarded by the M.C. for consideration no great deviation from the existing scale is suggested. On the expenditure side of the

proposed scale (vide annexures) certain minor adjustments such as those of Peon, Panchayak and Servants pay are proposed to be abolished. Posts are found, from experience, to be unnecessary and the recommendation may perhaps be accepted. An increased expenditure is proposed in respect of the pay of the Peons, Attendants of the late Swamy Jaw & allowances to the Jetties and Mail Jaw. The increase appears to be very small except in respect of the Headmen (Rs 125), and the selection of the revised figures is for orders. A sum of Rs 220/- per annum is provided for repairing the Hanuman Tank, as a new item of expenditure & this has perhaps to be allowed to stand.

OFFICE OF THE MUZRAI COMMISSIONER IN MYSORE,

Bangalore,.....10th..October.....1930.

No. 1092 Ev 2 / 28-9.

Muz 167-30-1

FROM S. P. Rajagopalachari, Esq., B.A., B.L.,

Fund and in consequence the scale is being continuously worked without leaving any surplus to the credit of the institution.

The gross income from the endowed villages, excepting Sanyasahalli in the Devanahalli Taluk which will form the subject matter of a separate correspondence, amounts to R. 9365/- a year against which an expenditure of R. 9075/- is now being incurred.

Taking all these into consideration, I have framed a scale of income and expenditure in consultation with the Agent of the Mutt wherein the income is based on the average of the last three years' collections and the expenditure has been confined to necessary items having in view the discharge of the debts contracted on behalf of the Mutt for which provision has been made. A statement in juxta-position showing the expenditure sanctioned in 1922, the present actual expenditure and the expenditure proposed to be incurred hereafter is submitted for convenience of reference. The proposals now made result in a total expenditure of R. 9165/- and provides for an annual recurring surplus of R. 179/- after making provision for the repayment of the loan proposed to be newly raised for the repairs of the tank in Haniyur village. I beg that the proposals now formulated may be kindly sanctioned with effect from 1st October 1930.

In this connection I beg to state that besides the loans due to the Kalasa temple, the Nowl Krishnadoss Charities and the Government in respect of the Haniyur tank repairs, a sum of R. 2000/- is due to the temple of Sri Gangadhareswaraswami at Sivaganga. This amount was borrowed on the occasion of the installation of the present Swamigalu and for reasons stated above it has not been possible to adjust the loan. Vigorous action is being taken to recover the heavy accumulated arrears from the lessee of the Sanyasihalli village and as soon as the recovery is made the debt due to the temple of Sri Gangadhareswaraswami at Sivaganga will be adjusted and the balance utilised to wipe off the debit balance. The annual income accruing to the Matha after the Sanyasihalli village is brought under Government control will be ear-marked for discharging the Matha's liabilities more speedily than that provided for in the present scale and to build up a reserve for the benefit of the institution.

With the above observations, I submit the matter for the early orders of Government.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.
